ANNUAL WOMEN'S
CONFERENCE

MISSIONARY FOCUS:

Lois Carr and Kianga Kids

Unique Kenyan jewelry, textiles, and other crafts will be available for purchase.

In his letter to the Philippians, Paul shows us what it looks like to live a life that is joyful, confident, and transformed. Join us as we learn from him and consider implications for our own lives and the lives of those we serve.

Our speaker, Cheryl Mullis, is the Director of Small Groups and Women's Ministry at Evangelical Presbyterian of Annapolis and serves as the Northeast Regional Advisor for women in the PCA. She loves to study and teach God's Word and has helped shape the small group ministry at her church by writing curricula, building teams, mentoring and training leaders, and leading groups. Cheryl also speaks at retreats and women's events. Her passion is for others to be transformed by Jesus and to live each day dependent on Him, grateful for his faithfulness and love, and eager to tell others about His amazing grace.

Cheryl and her husband Don live in Annapolis, Maryland. Together they have raised five children and are blessed with nine grandchildren.

Fix your thoughts on what is true, and honorable, and right, and pure, and lovely, and admirable. Think about things that are excellent and worthy of praise.
