Hi Ladies,

When I opened the check that I received from the Presbytery there was a note inside from Bill Zinkand stating the following: "Presbytery has had to cut its budget this year due to reduced contributions from the churches. I hope you can make due with the smaller amount." The check was \$500 instead of \$625. I will need to follow up with him to see if this is the new amount that they will be contributing to Women's Ministry quarterly. I just wanted to let you know ASAP. This will affect some of the proposals that I have put forward & we will need to discuss these things with regard to the reduction in Presbytery support.

Blessings,

Mary Anest
Heritage Presbytery Women's Ministry, Treasurer
